

Developing Ideas

Things Every Idea Creator Must Know

Is Your Idea Unique?

Internet search for similar products
Patent search to compare your idea
Do you have a unique novel useful
idea that can be patented?

Turn the Idea to a Product

Create a diagram for your idea
Create a prototype of your idea
Does the product provide the predicted
benefits?

How To Protect Your Idea

Time to engage to prepare a provisional patent
Protect the date of your invention
Gain 12 months of protection to refine your
product.
